

Social Media

JENNIFER ZOUVEIN

HELLO,

I'm Jennifer!

My professional team and I will be working on the following aspects for your business growth while taking into consideration your budget to get you the best possible outcome.

- **ACCOUNT MANAGEMENT**
- **CONTENT CREATION & MANAGEMENT**
- **CUSTOMER SERVICE**
- **ADS MONITORING**
- **REBRANDING**

Remember...

Your business social media account tells people a lot about you ! And consistency in posting what you do/offer, is also a must in this field. All this is linked to a marketing strategy and plan, prepared ahead of time based on your goal! And I'm here to help you in this !

Account Handling

**Handling your social media accounts while
preparing a schedule for posting:
WHEN, HOW AND WHAT TO POST?**

Content Creation & Management

Creating posts with logos, and creative captions and hashtags. Sharing stories based on audience/business preference.

Planning and launching social media competitions to increase engagement and activity on the page.

Customer Service

**Replying to customers
interactions/messages/comments in a
professional way.**

Ads Monitoring

Creating social media ads for better social media exposure, and boosting posts when needed.

Rebranding

Creating new logo designs, and business card designs.
